ABOUT PROJECT

Our project is data collector and reads bout daily home expenses most convenient for people who struggle to collect data about their home expenses .

A hand in a blue shirt points at a tablet. A white bar chart with seven bars of increasing height is overlaid on the image. The bars are positioned behind a dark semi-transparent banner that contains the title and subtitle text. The background is a blurred blue fabric.

TECHNOLOGY USED

IDLE PYTHON, TKINTER MODULE, DATABASE

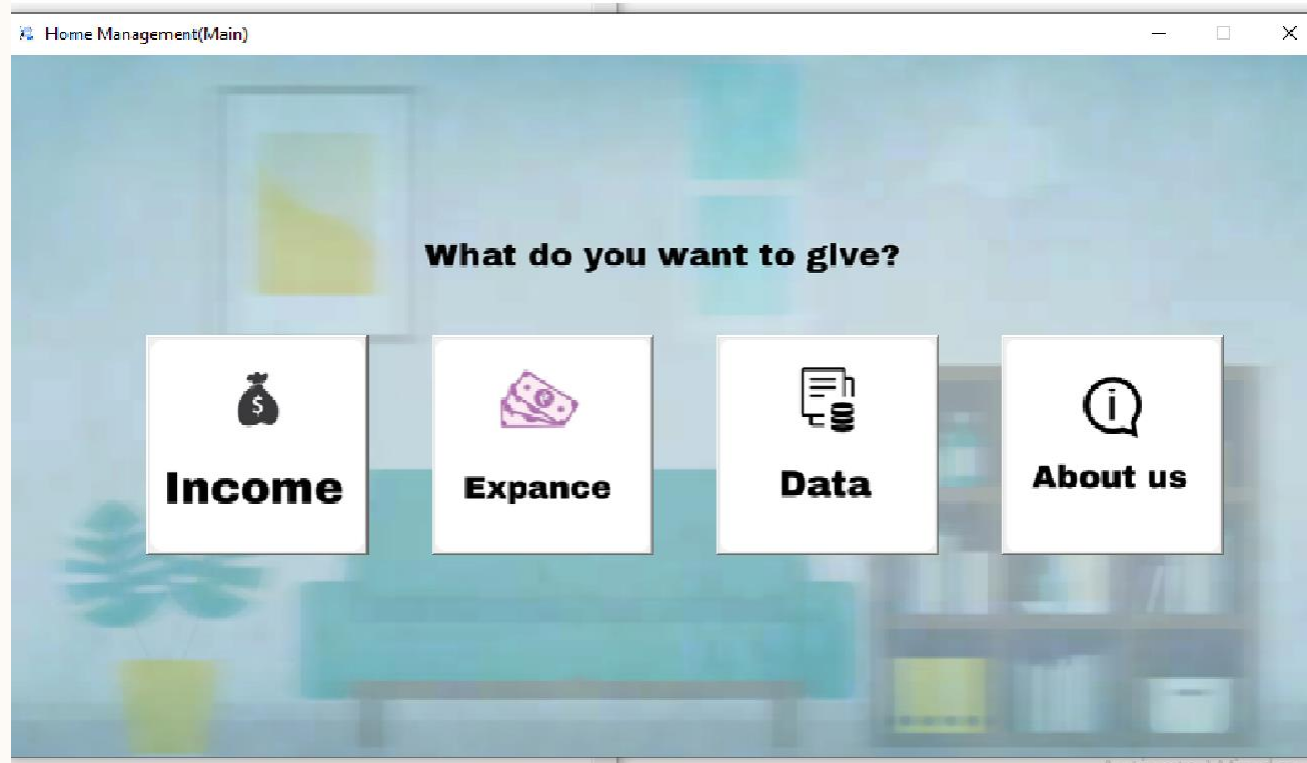

SIGIN SCREEN

The screenshot shows a web browser window titled 'Login Screen'. The page has a light blue header with the text 'Welcome to Home management!' in blue. Below the header, the text 'sign in' is displayed in a large, blue, sans-serif font. To the left of the sign-in form is an illustration of a woman in a blue shirt and black skirt standing next to a large blue screen displaying a login form. The screen also shows a padlock icon and a 'Login' button. The main sign-in form consists of two input fields: the first contains the text 'harish' and the second is empty. Below the input fields is a blue button labeled 'Sign in'. Underneath the button are two links: 'Reset' and 'Clear', both in blue text.

- Login screen without any database only fixed username, password

HOME SCREEN

- Home screen contain expense, incoe,data,aboutus button

INCOME SCREEN

The screenshot shows a web application window titled "Income". At the top left is a "Logout" button. The main header area contains the title "Income" and the time "20:37:44 PM". Below this is a "Details" section with a "Date" input field (format DD-MM-YYY), a "Month" dropdown menu (currently showing "January"), and a "Month Name" dropdown menu (also showing "January"). A "Search" button is located to the right of these fields. The main content area is divided into two panels. The left panel, titled "Income", contains a "Date" input field, an "Income" section with radio buttons for "Salary" and "Other Income", an "Amount in INR" input field, a "Type of Transaction" dropdown menu (showing "Gpay"), and an "Other description" input field. At the bottom of this panel are "Save" and "Add +" buttons. The right panel, titled "Home Management", displays a welcome message "Welcome to income office! see your income", a "Month" dropdown menu (showing "January"), and a "Date" input field (format DD-MM-YYY). Below this is a table with columns "Date", "Amount", "Income", and "mode". The bottom of the window features a "Generate" section with "Export", "Import", and "Total" buttons. A watermark "Activate Windows" is visible in the bottom right corner.
